

## The toughest, most protective bedliner around. Now in color.

That's right. The industry's premier spray-on truck bedliner is now available in your choice of color. It's called LINE-X® XTRA, and thanks to DuPont™ KEVLAR® technology, our already tough bedliners just got tougher. LINE-X XTRA delivers added protection against cracking, bubbling, peeling and color fading. Not to mention that DuPont™ KEVLAR® is up to five times stronger than steel, making your truck bed stronger than just about anything you can put in it.

## Your Choice of Color

LINE-X® XTRA can be color coded to your truck for the closest possible match—or sprayed in the color of your choice.

## Superior Gloss Retention

LINE-X XTRA provides a long-lasting, rich gloss that will give your truck bed that “just sprayed” look.

## UV Protection – Fade Resistance

Ultraviolet light radiation can effect the appearance of your bedliner. Like a sunscreen, LINE-X XTRA helps minimize UV damage.

## Permanent Bond

LINE-X XTRA permanently bonds to your LINE-X bedliner at the molecular level, creating a unique composite unlike any other.

LINE-X XTRA premium protection, fortified with DuPont™ KEVLAR® micropulp

## Stronger Protection

LINE-X® XTRA is formulated with DuPont™ KEVLAR®, providing superior protection against scratches, gouges and punctures.

## LINE-X XTRA Protects More Than Trucks:

- Truck Accessories
- Tools/Tool Boxes
- Boats
- Motorcycles
- Construction/Farm Machinery
- Trailers
- Personal Watercraft
- Gardening Equipment
- ATVs
- Feed Containers
- Storage Tanks
- and much more
